

Notes and Rests from the Maestro.

Per ensemble overview, we will have a social event the second half of rehearsal on Wednesday, March 13th. More information to follow.

Please note that the rehearsal schedule will now reflect music for the upcoming summer season to be rehearsed during the second half of rehearsal. Music for the upcoming June concerts will be rehearsed during the first half of the rehearsal. A great deal of progress has been noted; however, much remains. Please take time to listen to the YouTube videos with attention to how your part syncs with the entire piece.
