Vol. 51 – No. 15  
April 17<sup>th</sup>, 2024.

## Notes and Rests from the Maestro.

We will work on the program from beginning to end next Wednesday. My goal will be to work 'spots' first on each half of the rehearsal, then run that half of the program (hopefully without stops). Then, do the same for the second half music for the rehearsal.

Best - Marcus
